- 11) “Or Equal” Substitutions. Whenever these specifications identify a brand name, trade name or a manufacturer's name, this designation is used for classification or descriptive purposes only, and the bidder may substitute an equal product, subject to the approval of the Board.
- 12) Governing Law. This Agreement shall be governed by and construed in accordance with laws of the State of New Jersey.
- 13) Severability. In the event that a court of competent jurisdiction finds any term or clause in this Agreement to be invalid, unenforceable, or illegal, the same will not have an impact on other terms or clauses in the Agreement or the entire Agreement. Rather, such term or clause shall be regarded as stricken while the remainder of this Agreement shall continue to be in full effect. Such invalid, unenforceable, or illegal term or clause may be revised to the extent required to render the Agreement enforceable or valid, and the rights and responsibilities of the parties shall be interpreted and enforced accordingly, so as to preserve their agreement and intent to the fullest possible extent.
- 14) Compliance with Applicable Law. The Contractor shall, and shall cause all subcontractors to, perform in accordance with Applicable Law. - 15) No Third-Party Beneficiaries. Nothing in this Agreement is intended to confer on any person other than the parties hereto and their respective permitted successors and assigns hereunder any rights or remedies under or by reason of this Agreement.
- 16) No Waivers. No action of the Board or Contractor pursuant to this Agreement (including, but not limited to, any investigation or payment), and no failure to act, shall constitute a waiver by either party of the other party's obligation to comply with any term or provision of this Agreement. No course of dealing or delay by the Board or Contractor in exercising any right, power or remedy under this Agreement shall operate as a waiver thereof or otherwise prejudice such party's rights, powers, and remedies.
- 17) No Consequential or Punitive Damages. In no event shall either party hereto be liable to the other or obligated in any manner to pay to the other any special, incidental, consequential, punitive, or similar damages (but not actual or direct damages) based upon claims arising out of or in connection with the performance or non-performance of its obligations or otherwise under this Agreement, whether such claims are based upon contract, tort, negligence, warranty, or other legal theory. The waiver of the foregoing damages applies only to disputes and claims as between the Board and the Contractor. - 19) Assignment. This Agreement is not assignable or transferrable to any party other than the Contractor without the express written permission of the Board, which may be withheld in the Board's sole discretion for any reason, or for no reason at all. This restriction includes changes in ownership of the Contractor that exceed fifty percent (50%) of the equity or other applicable interests held and disclosed at the time of entry into this Agreement. Any such approval given in one instance shall not relieve the assigning party of its obligation to obtain the prior written approval of the other party to any further assignment. The approval of any assignment shall not operate to release either party from any of its obligations under this Agreement unless the written approval specifically provides otherwise. Any assignment of this Agreement shall require the assignee to assume the performance of and observe all obligations, representations, and warranties of the assigning party under this Agreement.
- 20) Amendments. Neither this Agreement nor any provision hereof may be changed, modified, amended, or waived except by written agreement duly executed by both parties.
- 21) Drafting Responsibility. Neither party shall be held to a higher standard than the other party in the interpretation or enforcement of this Agreement as a whole or any portion hereof as a result of having assumed primary drafting responsibility of this Agreement.
- 22) Acceptance of Final Payment. Acceptance of the final payment by the Contractor shall be considered a release in full of all claims against the Board arising out of, or by reason of, the work performed, and materials furnished under the Agreement.
- 23) Set-Off. Should Contractor either refuse or neglect to perform the service which Contractor is required to perform in accordance with the terms of this Agreement, and if expense is incurred by the Board by reason of Contractor's failure to perform, then and in that event, such expense shall be deducted from any payment due to Contractor. Exercise of such set-off shall not operate to prevent the Board from pursuing any other remedy to which it may be entitled.
- 24) This Agreement may be terminated as follows:
 - a. If Contractor is required to be licensed in order to perform the services which are the subject of this Agreement, then this Agreement may be terminated by the Board in the event that the appropriate governmental entity with jurisdiction has instituted an action to have the Contractor's license suspended or in the event that such entity has revoked or suspended said license. Notice of termination pursuant to this subparagraph shall be effective immediately upon the giving of said notice.
 - b. If, through any cause, the Contractor, where applicable, shall fail to fulfill in timely and proper manner its obligations under this Agreement, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, the Board shall thereupon have the right to terminate this Agreement by giving written notice to the Contractor of such termination and specifying the effective date thereof. In such event, all finished or unfinished

documents, data, studies, and reports prepared by the Contractor under this Agreement, shall be forthwith delivered to the Board.

- c. Bankruptcy or insolvency of the Contractor; sale of the business of the Contractor, or death or permanent disability of the Contractor in the event the Contractor is an individual.
- d. Should the Board default in the performance of this Agreement or materially breach any of its provisions, which remain uncured after thirty (30) days after notice is given to the Board, the Contractor may terminate this Agreement, unless the Board is prevented from performing this Agreement by circumstances beyond its control. In that instance, any obligations owing by the Board to the Contractor shall be suspended without liability for the period during which the Board is so prevented.
- e. Should the Board fail to pay Contractor all or any part of the compensation earned for services rendered within sixty (60) days after the date due, the Contractor may at its option, terminate this Agreement.
- f. Notwithstanding the above, the Contractor, where applicable, shall not be relieved of liability to the Board for damages sustained by the Board by virtue of any breach of the Agreement by the Contractor, and the Board may withhold any payments to the Contractor for the purpose of set off until such time as the exact amount of damages due to the Board from the Contractor is determined.
- g. Termination shall not operate to affect the validity of the indemnification provisions of this Agreement.

The Contractor shall be responsible for premiums, fees and other costs associated with obtaining and maintaining such required insurance, and the Board shall have no obligation to reimburse the Contractor therefor. The Contractor shall name the County of Monmouth, Monmouth County Board of Recreation Commissioners, and their respective officers, servants, and agents as additional insureds (the "Additional Insureds") on all insurance policies required pursuant to this Appendix A (other than paragraphs 1(a) and (c) hereof).

To the extent permitted by Applicable Law, and by the insurance policies, each party shall waive the subrogation rights of its various insurance carriers in favor of the other party.

Insurance Certificates. Insurance, and any renewals thereof, shall be evidenced by certificates of insurance issued or countersigned by a duly authorized representative of the issuer and delivered to the Board for its approval.

Notices. Each insurance policy shall be endorsed to require 45 days written notice to the Board of cancellation, or intent not to renew by the insurance company.

Non-Recourse Provision. All insurance policies shall provide that the insurers shall have no recourse against the Additional Insured for payment of any premium or assessment and shall contain a severability of interest provision in regard to mutual coverage liability policies. The coverages provided by mutual coverage liability insurance policies required hereunder shall be the primary source of any restitution or other recovery for any injuries to or death of persons or loss or damage to property incurred as a result of an action or inaction of the Contractor or its subcontractors, of their respective suppliers, employees, agents, representatives, or invitees, that fall within these coverages and also within the coverages of any liability insurance or self-insurance program maintained by the Board.

Subcontractors. The Contractor shall be responsible for ensuring that all subcontractors that are providing contract services secure and maintain all insurance coverages (including workers' compensation insurance) and other financial sureties required by New Jersey law in connection with their presence and the performance of their duties at or concerning the providing of contract services.

Qualifications of Insurers. The Contractor is required to obtain the insurance set forth herein with insurance companies allowed to do business in the State of New Jersey, which maintain ratings of at least A- VII in the latest evaluation of the A.M. Best Contractor Reports.

26) Liquidated Damages. This Agreement provides for the payment of liquidated damages in certain circumstances of nonperformance, breach, and default. Each party agrees that the damaged party's actual damages in each such circumstance would be difficult or impossible to ascertain and that the liquidated damages provided for herein with respect to each such circumstance are intended to place the damaged party in the same economic position as it would have been in had the circumstance not occurred. Except as otherwise specifically provided herein, such liquidated damages shall constitute the only remedy in such circumstances by the nonperforming, breaching, or defaulting party, regardless of legal theory.

IN WITNESS WHEREOF, the parties have signed this agreement.

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality, or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality, or sex. EXHIBIT C

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the County of Monmouth, (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (*42 U.S.C. §12101 et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees, and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
