(b) Business/Personal Automobile Coverage: The Professional shall maintain Comprehensive Automobile Liability Insurance, in an amount of not less than $1,000,000.00 combined single limit, covering all vehicles used by the Professional in furtherance of this contract, prior to commencement of work under this Agreement.

Failure to provide such Certificate within this time period will be grounds for rejection of bid. The certificate for Public Liability/Property Damage and Business/Personal Automobile coverage must name the County of Monmouth, Monmouth County Board of Recreation Commissioners, and their respective officers, servants and agents as additional insured on all policies except the Worker’s Compensation policy.
2.3.8. Indemnification

The vendor hereby agrees to indemnify and hold harmless the Board of Recreation Commissioners and the County of Monmouth, their agents, servants, and employees from and against all loss, damage, claims, actions, liability and expense, in connection with the loss of life, bodily injury, and/or property damage, if occasioned in whole or in part by any negligent act or omission of the professional or the professional's agent's, servants, employees, and subcontractors limited to services performed under the terms and conditions of this contract. This obligation shall include the provision of a defense for the County of Monmouth and the Board at all stages of the claims or judicial process.

2.3.9. Alternate Dispute Resolution

Non-Binding Mediation: If a dispute between the County and the Contractor arises during the course of the contract, the parties will participate, in good faith, in non-binding mediation.

Either party may demand such mediation by written notice of the other party. The written notice shall contain at least (a) a brief statement of the nature of the dispute, and (b) the name, address and phone number of that party’s designated representative for the purposes of mediation. The other party shall designate its representative for mediation in writing no later than five business days after receipt of the demand for mediation. The respective designees shall thereupon, and promptly, with due regard for the need for timely action, choose a mediator. If the parties cannot agree on a mediator, or if they prefer, they shall choose a reputable mediation firm. Any mediation firm so chosen shall present a list of at least five proposed mediators to the parties and shall provide the parties with a summary of each person's qualifications to serve as the mediator. Each party shall rank the proposed mediators in order of preference.

The fifth person on each list will be excluded from further consideration. The chosen mediator shall be the person who is the combined highest-ranking mediator on both preference lists excluding the fifth person on each list. In the event of a tie, the mediator shall be chosen by lot. The parties will not be bound by the Rules of Evidence in presenting the positions before the mediator.

The mediation shall be conducted in such reasonable and efficient manner as may be agreed between the parties and the mediator or, the lack of such an agreement, as may be determined by the mediator.

Each party will bear its own costs of participation in mediation and they will divide the costs of the mediations equally.

If, after a good faith effort to resolve the dispute through mediation, the dispute is not resolved, either party may terminate the mediation by written notice to the mediator and to the other part, whereupon either party may submit the dispute to the Superior Court of New Jersey, Monmouth County, for adjudication, which Court shall have exclusive original jurisdiction over the dispute.
2.4. Addenda

All addenda will be posted on the Monmouth County Park System website (www.monmouthcountyparks.com). It is the responsibility of the vendor to check the website prior to submission of proposal.

2.5. Multiple Proposals Not Accepted

More than one proposal from an individual, a firm or partnership, a corporation or association under the same or different names shall not be considered.

2.6. Failure to Enter Contract

Should the vendor, to whom the contract is awarded, fail to enter into a contract within ten (10) days, Sundays and holidays excepted, the owner may then, at its option, accept the proposal of another vendor.

2.7. Commencement of Work

The vendor agrees to commence work after receipt of a Purchase Order and upon notice from the using department to proceed.

2.8. Termination of Contract

If, through any cause, the vendor shall fail to fulfill in a timely and proper manner obligations under the Contract if the vendor violates any requirements of the Contract, the owner shall thereupon have the right to terminate the Contract by giving written notice to the vendor of such termination at least 30 days prior to the proposed effective date of the termination. Such termination shall relieve the owner of any obligation for the balances to the vendor any sum or sums set forth in the Contract.

The vendor agrees to indemnify and hold the owner harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the Contract by the owner under this provision. In case of default by the vendor, the owner may procure the articles or services from other sources and hold the vendor responsible for any excess cost occasioned thereby.

2.9. Notice of Award

The successful vendor will be notified of the award of contract upon a favorable decision by the governing body. The Purchasing Agent will then send a Purchase Order and Voucher to the vendor.
(if applicable)

When the Professional has performed in accordance with the provisions of the contract, and the invoice (bill) including a properly prepared, dated and signed voucher for the work has been approved and certified by the Monmouth County Board of Recreation Commissioners and the Monmouth County Board of Chosen Freeholders, the board shall pay the amount due to the contractor for each payment not more than 30 days after the date received. The invoice shall be deemed approved and certified 20 days after the board receives it unless the board, before the 20 day period, informs the contractor in a written statement of the amount withheld and the amount to be paid, the reason for withholding the payment and how the deficiency can be cured.

Approved (bills) with a properly prepared, dated and signed voucher will be approved for payment by the Board of Recreation Commissioners at the first public meeting after the 20\textsuperscript{th} day. After the board approves payment of invoices (bills) with properly prepared, dated and signed voucher, invoices will be forwarded to the Board of Chosen Freeholders for their approval. All payments will be released in accordance with the attached payment schedule and will be mailed unless other arrangements have been made with our Accounts Payable Department.

In the event that Alternate Dispute Resolution is needed, mediation is the method that shall be used.

2.11. Ownership of Material

The owner shall retain all of its rights and interest in any and all documents and property both hard copy and digital furnished by the owner to the vendor for the purpose of assisting the vendor in the performance of this contract. All such items shall be returned immediately to the owner at the expiration or termination of the contract or completion of any related services, pursuant thereto, whichever comes first. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the owner or permitted by the owner to be used by their parties at any time except in the performance of the resulting contract. Ownership of all data, materials and documentation originated and prepared for the owner pursuant to this contract shall belong exclusively to the owner. All data, reports, computerized information, programs and materials related to this project shall be delivered to and become the property of the owner upon completion of the project. The vendor shall not have the right to use, sell, or disclose the total of the interim or final work products, or make available to third parties, without the prior written consent of the owner.
