PARKS ARE A PLACE TO MAKE MEMORIES

In 2019, the Park System continued its dual mission to preserve open space and provide recreational opportunities for the residents of Monmouth County. By offering enriching experiences in a beautiful setting where people feel comfortable and welcome, park visits become lasting memories, and some park activities turn into traditions.

Annual events for fun or competition have been fostering the bonds of family or friendship for decades. The agriculture-based Monmouth County Fair, for instance, has been a summertime "must-go" for area residents since 1975, while the team-oriented Timberbrook Triathlon has been testing athletes since 1995. Children attending summer camps share important rites of passage such as learning how to swim, ride a bike or kayak/canoe while friends may take a craft class together to relax and reconnect.

Being outside together in nature is a great facilitator of special memories. Former students and scouts fondly recall details of a class trip or learning adventure to park staff. People who enjoyed Holmdel Park's cross-country meets or sled hill in their youth return years later with their own children. Certain park events easily became a shared experience across generations.

Whether it's a private moment with nature or a shared visit, the parks are attracting more people than ever before. The number of annual visits topped 7 million for the first time in 2019 (left). Please see the following pages to learn more. There is a review of this year's park accomplishments (pages 4-6) and land acquisitions (pages 8-9), along with the Park System's annual financial statement (pages 12-14).

2019 ACCOMPLISHMENTS

NEW RECREATION FACILITIES & FEATURES

- **DORBROOK REC AREA, LION'S DEN**
Sensory playground addition funded by the Colts Neck Lions Club through Friends of the Parks.
- **DORBROOK REC AREA, EGRET TRAIL**
Wooded 1-mile trail follows the reservoir.
- **FRENEAU WOODS PARK, WOODS WALK TRAIL**
Multi-use, 1.6-mile trail featuring a 90' trail bridge over a ravine and two smaller boardwalks.
- **UNION TRANSPORTATION TRAIL, UNDERPASS**
Allows the 9-mile UTT to travel underneath Route 537 and continue into Ocean County.
- **MANASQUAN RESERVOIR, OUTDOOR CLASSROOM**
Rustic outdoor space with teacher's podium hosts 20-25 students for an outdoor lesson.

MAINTENANCE & IMPROVEMENT PROJECTS

- **SHARK RIVER PARK**
New maintenance building, located closer to main park areas.
- **DORBROOK REC AREA**
Pickleball lines painted on the skating rink allow for shared use four days a week.
- **SHARK RIVER GOLF COURSE**
New bunkers lined with grass instead of dirt to improve sand quality.
- **DEEP CUT GARDENS**
New parking lots islands feature landscape grasses.
- **HOLMDEL PARK, ROBERTS RD. CROSSING**
Provides connection between the Ramanessin Section (left) and main park areas (right).

ENVIRONMENTAL & WILDLIFE INITIATIVES

- **HUBER WOODS PARK, POLLINATOR GARDEN**
New planting to encourage butterfly and bee species.
- **HOWELL PARK GOLF COURSE, BIOFILTRATION BASIN**
Installation manages stormwater runoff from the parking lot.
- **THOMPSON PARK, TREE TREATMENT**
Protecting large specimen elm (pictured) and ash trees from disease. Staff also removed 16 ash trees already infested with Emerald Ash Borer from the Manasquan Reservoir.
- **PARKWIDE CONSERVATION EFFORTS**
Convert to energy-efficient LED lights; retrofit motion sensor faucets and water-conserving flushometers; convert pedestal/wall water fountains to bottle-fill.

Park staff received a larger than usual number of owl photos from wildlife watchers in the parks this year, like this juvenile Great-horned owl at Hominy Hill Golf Course. (May 2019)

2019 LAND ACQUISITION

A total of 263 new acres were added to 11 park properties in 2019. One of these parcels is for a new southern terminus for the Henry Hudson Trail in Freehold, and another added 101 acres to the rapidly developing Freneau Woods Park in Aberdeen (pictured right). The Park System now owns/manages 17,547 acres in 43 parks and golf courses across Monmouth County. Another 195 acres of open space were protected as easements, many through the Municipal Open Space Grant Program. (NOT shown on map).

This 48-acre, low-lying wetland property with abundant fern was just one of four forested parcels added to Freneau Woods Park in 2019.

2019: PARK PARTNERS

In 2019, 1,226 volunteers contributed 25,989 hours to maintain and beautify the parks and staff park events. Highlights this year included hundreds of volunteers who attended Core Training events for pruning, trails and tool maintenance, invasive species removal, and how to be a docent, program assistant or endangered bird species monitor. Many volunteers also attended topic lectures and park hikes as part of a new "Just for You" Workshop Series.

Volunteers attend an informational "Just for You" hike to explore the trails at Hartshorne Woods Park and an invasive species lecture. Trail team experts repair the source of erosion on a trail at Huber Woods Park, while student volunteers help in the gardens at Longstreet Farm.

Founded in 1991, this non-profit facilitates sponsorship and hosts fundraising events/activities to raise money for special projects in the parks. In 2019, this included 16 new memorial park benches as a tribute to the memory of loved ones (pictured); a new wheat thresher for demonstrations at Longstreet Farm; and trees, water lilies and roses for Thompson Park and Deep Cut Gardens. Funding continued for staff training, scholarships for urban youth to attend park camps and fees to support after school excursions, and special activities for volunteers and young adults with disabilities. www.friendsofmonmouthcountyparks.com

Monmouth Conservation Foundation (MCF), now celebrating its 43rd year, is dedicated to saving open space, creating parks, preserving farmland, protecting wildlife, teaching environmental sustainability and safeguarding waterways throughout Monmouth County. MCF has directly preserved more than 6,500 acres of open space and farmland and is one of nearly 420 accredited land trusts out of 1,700 nationwide. Jointly, MCF and Monmouth County are working to restore the future home of Swimming River Park (formerly Chris' Marina and Deli, pictured) in Middletown and transform it into a beautiful park with riverfront access for all to enjoy. www.monmouthconservation.org

Special People United to Ride (SPUR) is a non-profit organization that supports therapeutic horseback riding and equestrian programs at Sunnyside Equestrian Center. In 2019, participation continued to grow with 46 new SPUR students. A total of 188 volunteers participated in the SPUR program in 2019. The Equine Facilitated Learning and Horses for Heroes programs enjoy continued success. SPUR had 98 entries in one or more horse shows throughout 2019 including 80 riders in the SPUR Horse Show (the largest show to date, pictured). www.spuronline.org
