The following notice applies to the website of the Monmouth County Park System, Lincroft, New Jersey listed at www.monmouthcountyparks.com. Thank you for visiting our web site and reviewing our Privacy Notice.

This notice covers the following topics:

- Information Collected and How it is Used
- Public Information and Choice
- Public Access to Information
- Security
- Disclaimer

Information Collected and Stored Automatically

If you do nothing during your visit but browse through the Web Site or read our Web pages, we will gather and store certain information about your visit automatically. This information does not identify you personally. We may automatically collect and store only the following information about your visit:

- The Internet domain and IP address from which you access our Web Site;
- The type of browser and operating system used to access our Web Site;
- The date and time you access our Web Site;
- The pages you visit; and
- If you linked to our Web Site from another web site. We use this information to help us make our Web Site more useful to visitors, to learn about the number of visitors to our Web Site, and to determine the types of technology our visitors use. We do not track or record information about individuals and their visits.

If You Send Us Personal Information

If you choose to provide us with personal information, such as in an e-mail to the Administrator or by filling out a form with your personal information and submitting it to us through our Web Site, we use that information to respond to your message and to help us get you the information you have requested. We only share the information you give us with another agency if your inquiry relates to that agency, or as otherwise required by law. Moreover, we do not create individual profiles with the information you provide or to give it to any private organizations. The Monmouth County Park System does not collect information for commercial marketing.

Personal Information and Choice

You may choose whether to provide personal information on-line. "Personal information" is information about a real person that is readily identifiable to that specific individual. Personal information includes such things as an individual's name, address, and telephone number. A domain name or Internet protocol address is not considered personal information. We collect no personal information about you unless you voluntarily give it to us by sending us an e-mail or by providing personal information when using an on-line form. Your choice not to participate in these activities will not impair your ability to browse the Monmouth County Park System's Web Site and read any information provided on the Web Site.

Privacy Warning

E-mail is not a secure medium. Personal information sent via the Internet can be intercepted. You may, therefore, wish to reconsider the advisability of sending messages that contain sensitive or personal information to this Internet address. The Monmouth County Park System does not plan to voluntarily divulge information collected or information disclosed, but it may be required to do so pursuant to a request under the State Right to Know law, the common law concerning the Right to Know, other State or Federal law, or pursuant to a court order.

If you believe that your personal information is being used for a purpose other than what was intended when submitted, you may contact:

Security

In the State of New Jersey, laws exist to ensure that government is open and that the public has a right to access appropriate records and information possessed by governmental agencies. At the same time, there are exceptions to the public's right to access public records that serve various needs, including the privacy of individuals. Both State and Federal laws provide exceptions. All the information collected at this Web Site becomes a public record that may be subject to inspection and copying by members of the public, unless an exemption in law exists. The Monmouth County Park System has taken several steps to safeguard the integrity of its data and to prevent unauthorized access to information maintained.

These measures are designed and intended to prevent corruption of data, block unknown or unauthorized access to our systems and information, and to provide reasonable protection of private information in our possession.
